To Whom It May Concern:

Re: Daniel G. Floyd  
Letter of Reference

I met Daniel while serving as Illinois State Senator of the 26th District. Daniel was the recipient of the Kathleen & Richard F. Duffy Young Entrepreneur Scholarship. The scholarship recognizes exceptional young entrepreneurs whom demonstrated self-determination, professionalism, and persistence.

Over the last three years I have got to know Daniel well. He is very mature and poised beyond his years. He is a great listener, intellectually curious of politics, business, books, and very caring of others in need with an optimistic personality. He is a very unique young man.

With his collaborative nature, I have no doubt that given the opportunity he will be a productive and engaged member of any team and have an outstanding career in his chosen field.

I trust that Daniel will be given your full consideration. If there are any questions, please feel free to contact me. I can be reached at 847-312-4764.

Thank you,
